Report of Operative C.Morgan

Sept. 23rd, 1926

Hall-Mills

Re: Battle

Arrived at Mr. Watson's office at 9 A.M. and after receiving instructions went to the County Court House and interviewed Mr. McWilliams, the overseer of the poor, who looked up the records and found that Mary Battle of 288 Snyder Street had been committed to the State Hospital in 1921 - no charge.

Operative then proceeded to Elizabeth, N.J. and went to the Court House, but could not get any information about a Mrs. Battle who was given a court order issued in Elizabeth in December 1925 to have her children returned to her.

Operative then went to the City Hall and interviewed Mr. Satler, the overseer of the poor, but he had no record. I then spoke to Judge Brown's clerk and was told that they had no record.

Operative then returned to New Brunswick and went to Mr. Watson's office where I met Mr. Pfeiffer and Mr. Palzer.

Respectfully submitted:
